Bosch Rexroth Canada receives Service Center of Competence Certification

Bosch Rexroth Canada, the Canadian subsidiary of Bosch Rexroth AG, one of the world's leading specialists in the field of drive and control technologies was recently recertified by the Bosch Rexroth manufacturing plants as a Service Center of Competence. This certification recognizes the facilities located in Welland ON, Burnaby BC, Edmonton AB, Longueuil QC, and Dartmouth NS as the only authorized Service facilities for Bosch and Rexroth hydraulic product (Field Services, Repairs, Spare Parts, Remanufacturing, and Warranty analysis) in Canada.

"This designation is of great significance not only for Bosch Rexroth Canada but also for users of Bosch and Rexroth hydraulic products in Canada", reports Darren German, National Service Manager- Hydraulics. "By achieving this designation we maintain our access to repair information, factory original spare parts, specialized tooling, and factory training which are necessary components to providing reliable Bosch Rexroth hydraulic services to Canadian manufacturers".

For further information on this certification or Bosch Rexroth's hydraulic services please visit: www.boschrexroth.ca

Bosch Rexroth Canada is the Canadian subsidiary of Bosch Rexroth AG, one of the world's leading specialists in the field of drive and control technologies. Under the brand name of Rexroth the company supplies more than 500,000 customers with tailored solutions for driving, controlling and moving.
