For Immediate Use

Rexroth's GoTo™ Focused Delivery Program expands to over 4,000 materials.

### **Over 400 product additions, shorter lead times and an updated app covering North America highlight Fall 2015 enhancements to Rexroth's popular fast delivery program.**

(Welland, ON) – [www.boschrexroth.ca/GoTo](http://www.boschrexroth.ca/GoTo) Rexroth's latest GoTo™ Focused Delivery Program update includes additions across all product lines and shorter GoTo lead times—98 percent of the products in the program ship in 10 days or fewer.

With hundreds of products added with this update, customers will benefit from new options across the spectrum of Rexroth's drive and control technologies. Key additions to the hydraulics program include hundreds of new part numbers, with more options in Compact Hydraulics and Axial Piston products, as well as the addition of the new configurable hydraulic power unit, [GoPak™](#)

The conveyor offering will also grow with a large collection of spare parts for our TSplus conveyor series; lead times for 90 mm series VarioFlow *plus*

## Press Release

conveyor components will shrink to just four days! For motion control customers, additional IndraDrive Mi motor-integrated drive sets have been added to the GoTo program, along with the new VR series of HMIs. We are also adding products to our selection of linear motion components, including the MKR linear module.

For Immediate Use

Naturally, Rexroth's GoTo Products app for iPad, iPhone and Android has been updated with all of the latest products. Users are now able to view all of the latest products, retrieve local pricing, find their local salesperson or distributor, add products to a cart and email it for a quote.

The program changes are reflected in all of the latest catalogs on our website at: [www.boschrexroth.ca/GoTo](http://www.boschrexroth.ca/GoTo). Most importantly, Rexroth's popular GoTo Products app has been fully updated to support customers anywhere in North America. With the just-released version 4.0 for iPad, iPhone and Android, users can retrieve local pricing, find their local salesperson or distributor, add products to a shopping cart and email it for a quote. The app also features new capabilities for sharing app content via social media, the creation of multiple wish lists for easy re-ordering of products and quick access to numerous how-to videos and other useful content. App users can instantly retrieve all of the updates by using the apps' sync-on-demand feature at any time after installation.

Central Europe, Brazil and many other countries have also introduced the benefits of streamlined access to GoTo products to their customers as well. Check your local websites for more information. For a complete listing, visit our international website at [www.boschrexroth.com/goto](http://www.boschrexroth.com/goto).

### *About Bosch Rexroth:*

For Immediate Use

*The Bosch Group is a leading global supplier of technology and services. It employs roughly 360,000 associates worldwide (as per April 1, 2015). The company generated sales of \$65 billion (49 billion euros) in 2014.\* Its operations are divided into four business sectors: Mobility Solutions, Industrial Technology, Consumer Goods, and Energy and Building Technology. The Bosch Group comprises Robert Bosch GmbH and its roughly 440 subsidiary and regional companies in some 60 countries. Including its sales and service partners, Bosch is represented in roughly 150 countries. This worldwide development, manufacturing, and sales network is the foundation for further growth. In 2014, Bosch applied for some 4,600 patents worldwide. The Bosch Group's strategic objective is to create solutions for a connected life. Bosch improves quality of life worldwide with products and services that are innovative and spark enthusiasm. In short, Bosch creates technology that is "Invented for life." Additional information is available online at [www.bosch.com](http://www.bosch.com) and [www.bosch-press.com](http://www.bosch-press.com), <http://twitter.com/BoschPresse>.*

*\*The sales figure disclosed for 2014 does not include the former joint ventures BSH Bosch und Siemens Hausgeräte GmbH (now BSH Hausgeräte GmbH) and ZF Lenksysteme GmbH (now Robert Bosch Automotive Steering GmbH), which have since been fully acquired.*
