Rexroth Expands its operations in British Columbia Local Sales, Engineering, Service and Distribution Support

June 1, 2016

Bosch Rexroth Canada moves to a brand new facility in Port Coquitlam, BC

Welland, ON – March 7, 2016 Bosch Rexroth Canada moved its BC location from Burnaby to a brand new facility in Port Coquitlam. The dedicated team of highly experienced fluid power and factory automation professionals together with a new updated facility in Port Coquitlam is a clear demonstration of Bosch Rexroth's commitment and support for the local BC market.

The new facility features a state of the art 6,500 sq ft shop/warehouse with improved Hydraulic Repair Shop facilities and better Warehouse capabilities, including an improved process flow based on the principles of 5S.

An open house was held for customers on May 26th which included a tour, product demonstrations, meet and greet with the President, ribbon cutting ceremony and BBQ lunch.

Address of the new location:

Bosch Rexroth Canada
1533 Broadway St. Unit 124
Port Coquitlam, BC V3C 6P3
Telephone: 604-461-5777

About Bosch Rexroth:

Economical, precise, safe, and energy efficient: drive and control technology from Bosch Rexroth moves machines and systems of any size. The company bundles global application experience in the market segments of Mobile Applications, Machinery Applications and Engineering, and Factory Automation to develop innovative components as well as tailored system solutions and services. Bosch Rexroth offers its customers hydraulics, electric drives and controls, gear technology, and linear motion and assembly technology all from one source. With locations in over 80 countries, more than 31.100 associates generated sales revenue of approximately 5.4 billion euros in 2015. To learn more, please visit www.boschrexroth.com

The Bosch Group is a leading global supplier of technology and services. It employs roughly 375,000 associates worldwide (as of December 31, 2015). The company generated sales of 70.6 billion euros in 2015. Its operations are divided into four business sectors: Mobility Solutions, Industrial Technology, Consumer Goods, and Energy and Building Technology. The Bosch Group comprises Robert Bosch GmbH and its roughly 440 subsidiaries and regional companies in some 60 countries. Including sales and service partners, Bosch's global manufacturing and sales network covers some 150 countries. The basis for the company's future growth is its innovative strength. Bosch employs 55,800 associates in research and development at 118 locations across the globe. The Bosch Group's strategic objective is to deliver innovations for a connected life. Bosch improves quality of life worldwide with products and services that are innovative and spark enthusiasm. In short, Bosch creates technology that is "Invented for life."
