

Curriculum Vitae

Dr. Markus Forschner

Member of the Executive Board of Bosch Rexroth AG

2015-05-01

Dr. Markus Forschner has been responsible for the commercial activities of Bosch Rexroth AG as a Member of the Executive Board since May 1, 2015. His area of responsibility includes Purchasing, Logistics and Human Resources.

Forschner's previous position as from 2013 was commercial Head of Division of Bosch's Car Multimedia Division based in Hildesheim, Germany. He joined the Bosch Group as a management trainee in 1996 and took on various management roles from 1999 onwards. Following management posts at Bosch Telecom and in the Division Starter Motors and Generators, in 2001 he assumed commercial management responsibility for the Aveiro plant in Portugal and the product area water heater within the Thermotechnology Division. He was then promoted to become Commercial Manager of the Division Thermotechnology in Wetzlar, Germany. Then, from 2007 onwards he worked as the Senior Vice President of the Central Department Planning and Controlling at Robert Bosch GmbH in Gerlingen, Germany.

Forschner studied Computer Science and Business Administration at the University of Stuttgart, Germany. As a research assistant with Daimler-Benz AG he undertook research at the Massachusetts Institute of Technology (MIT) in Cambridge/Boston, USA and then he gained a PhD in Economics (Dr. rer. pol.) at the faculty of Research and Development Management at the University of Stuttgart.
